Spring means the long dreary days of Winter are over and the snow is gone leaving new growth popping up out of the ground. Each day brings anticipation of what will be blooming today! Come to camp and discover what ideas are blooming in your head for your next project.

Everyone is welcome! Bring all your ideas and get some new ones from classes being offered. We will have carts waiting at the door to bring all your necessary stuff (materials) in. Do you have a really fantastic idea you would like to share? Sign up to teach a class.
